Carlton Hill Vineyard, Yamhill-Carlton AVA
12 acres | Est. 1999 | 420 - 480' | E | Hazelair, Peavine & Willakenzie soils

vinification

Each vintage, our Pinot Noir delivers quality, sustainability and genuine value. We believe in crafting a distinctive wine that promotes the Willamette Valley's unique origins and embraces a classic expression of Pinot Noir.

Hand-harvested. Grapes were mostly destemmed (15% wholecluster) followed by a 3-5 day soak before fermentation. Fermenters received a combination of pump overs and punch downs over 12-18 days. Gently pressed and settled before aging in combination of 10% new French oak barrels and tank for 16 months prior to blending and bottling.

about

In our portfolio, Articulate is the top tier counterpoint to the single vineyard wines. It is not produced in every vintage but when the raw materials are available, a barrel selected blend from excellent vineyards that are capable of expressing the beautiful, intriguing, and complex elements of Pinot noir. The Articulate bottling is meant to show the highest expression of the vintage as well as the Willamette Valley as a whole. It is also an occasion as a winemaker for me to show my hand and craft an especially complete and complex Pinot noir.
