

Lundeen

Desirée | \$30 Retail | 200 cases produced

vineyard

Poverty Bend Vineyard, Willamette Valley
3.87 acres | 131 - 157' | SE | Willamette & Woodburn soil series

vinification

This wine began with a base wine predominantly of Pinot Noir, picked early for Méthode Champenoise and then gained complexity and expression with the blending of Chardonnay and aromatic white grapes grown at the family farm where Michael and Desirée live.

This sparkling wine is composed of 70% Pinot Noir, 12% Chardonnay, 9% Riesling, 6% Gewürztraminer, 3% Muscat. It was whole cluster pressed, followed by a cool fermentation in tank and barrel. No malolactic fermentation on the finished wine.

about

Lundeen sparkling wines are hand-crafted with the full appreciation that the Willamette Valley has a superb climate for producing delicious and complex sparkling wines. Grapes are grown or sourced from select vineyards capable of ripening slowly enough to carry depth of aroma and flavor and retain enough natural acidity to produce elegant and distinctive sparkling wines.

The “Desirée” (named in honor of Michael’s wife) is the confluence of our excellent fruit, Desirée’s love of beautiful, expressive sparkling wine, and Michael’s rise to the challenge of creating a force-carbonated wine with great palate energy and harmony echoing traditional method. All in a package that can reach the market at a broadly accessible price point.
